HISTORICAL SOCIETY MARKS LIBRARY CENTENNIAL

The centennial of the Bethel Library Association was commemorated last Thursday evening at the monthly meeting of the Bethel Historical Society. Society Trustee Chairman, Margaret Joy Tibbetts, who also serves as Secretary of the Bethel Library Association, made a presentation highlighting the history of the Association.

The library association began in 1879 through the raising of funds by lectures and by subscriptions. It retained its fees for book borrowing until 1922 when it received an additional appropriation from the town. In the early years of the association, there was a continuing problem of housing the collection until Mrs. William O. Straw offered the former law office of Enoch Foster on Broad Street in 1899 as its headquarters. Mrs. Straw, upon her death in 1922, left the building, land and \$10,000 for an endowment. In 1937 the building was enlarged through plans submitted by the famed Maine architect, John Calvin Stevens of Portland, to its present form. The library has had many dedicated workers who have given of themselves selflessly through the years and Miss Tibbetts paid tribute to these people who have been so essential in keeping a vital historic and cultural resource alive.

During the business portion of the meeting, Vice President Donald Bennett, who presided in the absence of President Catherine Newell, called members' attention to the gift of the month, portraits of J. G. Rich and his wife, Mary, donated by their granddaughter, Gertrude Bartlett, and presented to the Society on her behalf by her son, Lawrence. Joshua C. Rich built Angler's Retreat at Middle Dam. He was a hunter, trapper and

WHAT'S ON MAINE'S DEVELOPMENT HORIZON

The Greater Bethel Chamber of Commerce will sponsor an evening program at The Bethel Inn on Friday, Nov. 16 for the public to hear from the Deputy Director of the Maine Development Office about what the state is doing to develop its economy. The speaker is Barbara Cottrell who will be available during the evening to discuss ideas and possible initiatives related to this area of the state and to local businesses.

The chamber sees this program as an opportunity to hear about and to question the public on such matters as how can Bethel area small businesses take advantage of Governor Brennan's efforts to promote marketing of Maine products in Europe, projects by Ms. Cottrell's office to up-grade wood processing and economic development within the state through encouragement of tourism in addition to helping the lodging and restaurant industry.

Program for the evening includes a social hour starting at 6 o'clock, dinner at 7 in the downstairs dining room and the speaker's program at 8:15 in the library. Those planning to attend are urged to call the chamber secretary, Louise Lincoln at 824-2348, so that an approximate number of guests can be counted.

The public is invited and the chamber will send a letter of invitation to both major Rumford and Oxford Hills area industry and chambers.

There were 678 ballots cast Tuesday.

guide for many years as well as a trial justice, humane officer and pension agent. He also was a correspondent for Bethel for the Oxford Advertiser and lived where Seymour Butters does today on Spring Street.

Society Director, Stanley Howe reported that the Maine Citizens for Historical Improvement meeting went well—even the weather cooperated and expressed appreciation to all those who helped or furnished food for the meal. Howe also reported that the Maine history course attracted 18 individuals from Bethel and surrounding areas such as Norway and Sumner.

From the Bethel Town Office

Residents are reminded that overnight parking on town roads and streets is prohibited from Nov. 1 to April 1.

On Monday, Nov. 12, Veterans Day, the Town Office will be closed. The landfill dump will be open regular hours that day — 12 noon to 4 p.m.

The Board of Selectmen met Monday evening, Nov. 5, and acted on a long and varied agenda. An invoice from Hunter-Bailow of \$3,781.50 for work on the Airport Master Plan was approved as was an invoice from DuBois and King in the amount of \$2,992.93 for work on the Sewer System Facilities Planning Study. The Board approved an in-kind contribution to Oxford County Community Services in the amount of \$12,483. This non-cash contribution through the use of land and buildings at the West Bethel School enable the agency to obtain federal and state funds to operate the West Bethel Children's Head Start and Day Care Center.

Norris Brown and June Grieg representing Oxford Land Company met with the Selectmen to review correspondence from the State Department of Transportation regarding needed changes to the Bailey Road before they would approve the Dole Woods Subdivision as proposed by the Oxford Land Company. This latest correspondence conflicted with earlier correspondence and the manager was directed to send a letter to MDOT asking clarification of the correspondence.

In other action the Board set March 11 as the date for the 1980 municipal elections and March 12 as the date of the Annual Town Meeting. The date of the municipal election was set to coincide with the date of a Special State Election to help the Town keep election cost as low as possible. The Board appointed Richard

Angevine as a member of the Community Safety and Law Enforcement Committee and approved a one year renewal lease with the Bethel Aviators Group for land at the airport. The Board approved the sale of a limited quantity of winter sand to the Sunday River Ski Area under the same conditions as in the past two years. A beano license for the American Legion was approved for the period Dec. 6, 1979 - May 29, 1980 and the Board reviewed the October financial statement.

The Selectmen continued their discussions on clarifying street names and directed the office staff to draft informational materials on this for their review at the next meeting.

The manager reported that the Canadian National Railroad will be starting the installation of signals at the Ferry Road crossing this week. It is anticipated that work will be completed within the next 2 to 3 weeks.

The next meeting of the Selectmen will be Monday, Nov. 19, at 7 o'clock in the Bethel Savings Bank Meeting Room. A special meeting was set for Tuesday, Nov. 20, to review the preliminary information on the sludge disposal site study being done as part of the Town's overall study of needed sewer improvements. Following this discussion, informational materials will be completed and a meeting will be scheduled with abutting property owners to review the information.

The Facilities Committee met Wednesday evening, Oct. 31, at the Town Office. Neil Merrill was elected Chairman of the Committee and general discussion centered around detailed space needs for ambulance service and the highway department. The Committee will continue its discussions Tuesday evening, Nov. 13, at the Town Office.

CLASS "D" FOOTBALL TITLE GAME AT CAPITAL PARK IN AUGUSTA, SATURDAY

The Telstar Rebel football team advanced to the Class D State Championships with a 32-6 thrashing of the Boothbay Seashawks last Saturday at Maranacook. Telstar dominated the contest offensively and defensively, and, after struggling to get six points on the board in the first half, rolled up 26 points in the second half to win easily.

This Saturday, Telstar squares off against Hall-Dale in the game that will determine the State Class D Champion. The game is organized and supervised by the State Principals Association, who selected Capital Park in Augusta as the site for the game. Kick-off is scheduled for 1 p.m. Tickets will be sold at the gate only. The football team hopes that its fans will turn out in force to cheer them on to the championship. The game will be broadcast over radio WOXO, Norway.

Because of the observance of Veterans Day on Monday, Nov. 12, it is imperative that all material for publication in the Nov. 15 edition of The Citizen be submitted as early and as promptly as possible.

TELSTAR DEFEATS BOOTHBAY 32-6 — TO MEET HALL-DALE FOR "D" CROWN SATURDAY

Telstar advanced to the state Class D title game against Hall-Dale with a 32-6 victory over Boothbay at the neutral Maranacook field in Readfield Saturday afternoon.

Boothbay had the early edge in the contest, as the entire first quarter was played within the Telstar 30-yard line, but the Seahawks were unable to score.

Telstar opened the second period with a 15-play 91-yard drive for the first tally of the game; the touchdown coming on a 20-yard pass from Doug Webster to Tim Cross. Telstar then broke the game open in the third period with two more touchdowns, to take a 20-0 lead.

Boothbay scored in the third to pull to 20-6, but Telstar added a brace of fourth period touchdowns to salt the game away.

Tony Butters was the star of the game for Telstar, recovering two fumbles, both leading to touchdowns, and returning an interception to the one in setting up another six points.

Telstar and Hall-Dale will meet for the state "D" title on Saturday, Nov. 10 at Capital Park, Augusta.

CHRISTIAN SCIENCE CONFERENCE HELD IN AUGUSTA SATURDAY

A conference for Christian Science Assistant Committee on Publications was held on Saturday, Nov. 3, at the Holiday Inn, Augusta. The conference was called by Christian Science Committee on Publications and included all committee members in Maine.

Among points brought to light was the growing recognition in this state on the healing power of prayer and the growth of Christian healing in our churches and communities. Also part of the all day conference was a luncheon and an art and science film entitled "Signs of the Times."

Attending were several from Oxford County including representatives from Norway, Fryeburg and Bethel.

SUGGESTIONS FOR MAILING DURING HOLIDAY SEASON

The United States Postal Service is reminding customers that for the best service during the upcoming Christmas season they should use ZIP codes, place their return address in the upper left corner of the envelope and use proper postage.

By following these suggestions, the Postal Service says, "customers will be assured good mail service this holiday season."

It is important that families "double check" envelopes and cards to be certain that proper postage is affixed. Envelopes without postage will be returned to senders, if possible, or delayed by postage due procedures.

When the return address is placed on envelopes bearing holiday greetings, it also helps remind friends of one's current address.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address such letters are returned to the sender with a notation that the following "order" has expired.

WALKING WITH JESUS CHRIST

What is a Christian? A Christian is Christ like: one who walks with God and loves Him. He found the answer and knows it. Some Christians get excited about Jesus, while others may be quiet and gentle, but all show his or her love of Christ.

A Christian is a living symbol of Christ—he is a friend of Christ (John 15:14). A Christian has living within himself—God, the Holy Spirit (John 14:16).

A Christian once lived a life that could be many things—nasty, nice, good, sweet, gentle, gambler, thief or murderer—not knowing or caring what—but, one day he was changed—not by what he could do for God but what God did for him. (John 3:16)

A Christian was once known by God as a "child of hell" (Matt. 23:15)—"child of the wicked one" (Matt. 23:38)—"children of this world" (Luke 16:8). But now are called "children of light" (Luke 16:8)—"children of obedience" (I Peter 1:14)—submitting themselves to the will of God.

A Christian is one who at a time had (he believed) no need of God, he could handle it all by himself—as an accountable person go his or her own way rejecting the Christian's words of a saving knowledge of Christ, until that one unforgettable day he felt the need of a living and loving Savior—Jesus Christ with whom he would forever walk.

Jesus said "Verily I say unto you, except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven." Matt. 18:3.

Christ is for everyone that wants Him—God bless you as you consider His Call.

HEALTH SAFETY GOVERNING FACTOR WHEN INSTALLING NEW WATER SERVICE

The Bethel Water District will be working on a combined procedure for new customers to follow when requesting service. The Water District plans to submit this procedure to the Bethel Selectmen for their approval once the details have been worked out. The objective of this new application procedure is to reduce confusion and conflicting advice given to new owners and clarify the area of jurisdiction of various town officials.

Key factors behind this project include frequent discoveries of water and sewer lines laid in the same trench and attempts to repeat this practice in order to avoid the cost of digging two trenches. Separating water from sewer lines to prevent water contamination is a universally accepted standard.

When water and sewer lines are in the same trench, there is a good possibility that sewer water can enter into the water lines whenever work is done on either system. A back-hoe is not a precision instrument. In opening holes to repair service, a sewer and/or water main is often broken. When the two lines are laid in the same trench, backflow from a broken sewer line can seep into a water main which has been sliced open during the same operation.

Old systems, such as Bethel's, were not constructed according to present day standards and are poorly recorded thus locating buried lines is often hindered and accidental breakages occur as a result.

The Water District believes that it is in the best interests of all of its customers to correct these situations of inadequately separated water and sewer systems as they are discovered and at the time new service is installed. By insisting on laying new service according to the present health standards, the District can preclude more costly breakages in the future and reduce the threat of backflow contamination to the town's water supply.

MISS SWAN NAMED AS D. A. R. GOOD CITIZEN AT TELSTAR

Miss Melanie Swan, daughter of Mr. and Mrs. Hugh Swan of Locke Mills, has been selected by the Telstar senior class and faculty as the 1979 Daughters of the American Revolution Good Citizen. Melanie was selected for this American Revolution Chapter-sponsored award on the basis of best exemplifying the qualities of service, leadership, dependability, and patriotism.

Throughout high school, Melanie has been an honor roll student, and she has been class president and a member of the band for four years. Last year, she was selected to attend Girls' State and chosen to be a member of the Telstar National Honor Society. Melanie plans to major in elementary special education in the Maine University system next year.

TELSTAR BAND ON THE ROAD

Last week end, the Telstar Band traveled to the Boothbay football game at Maranacook and thrilled all the fans there with their performance in the pouring rain. It proved to be an interesting experience.

This week end, the band will be attending the game in Augusta as the home team band. At halftime the Hall-Dale band will perform first and the Telstar Rebel Band will finish the halftime show with another outstanding performance.

On Sunday, the band will go to Locke Mills for the Veterans Day Parade.

FALL TRAINING/RACING CAMP TO BE HELD NOV. 16-21

A fall training/racing camp will be held Nov. 16-Nov. 21 at Gould Academy and Sunday River Ski Area under the direction of Gould's head ski coach and athletic director, Eric Morse. As many as 100 ski racers, ages 12 and up, are expected to attend this year's annual camp. They will be housed at Gould Academy and eat their meals in the school's dining room. Activities and ski workshops will take place in Gould's athletic facilities, and on-snow training at Sunday River Ski Area, which has top-to-bottom snow making capacity. The daily program will include supervised free skiing in ability groups, fundamental exercises and technical work, skiing drills, dry land techniques and activities, games, ski tuning, and films. A giant slalom race will end the camp program on Wednesday, Nov. 21. All activities, including the dormitories, will be closely supervised by the experienced staff, which includes the follows: Eric

WEST BETHEL UNION CHURCH

From a sermon by Bert Griffith, Pastor, based on the scripture, James, 4:8, "Draw nigh to God and he will draw nigh to you."

What is it going to be like to be absolutely satisfied? Our minds cannot even imagine complete satisfaction. I trust the Lord with all my heart. Those verses in Proverbs "Trust in the Lord with all thine heart and lean not to thine own understanding," keep coming back to me all during the week. "In all thy ways acknowledge him and he shall direct thy paths." I believe that God is alive. Believe that I am close to God. I believe those verses, and I have applied them to my life, but still I have the tendency to submit myself to peer pressure and to group pressure, and to conform to the world.

Man is at his best and man is at his happiest when he is close to God. He is able to stand up under tragedy when his heart is beating as one with God. God is eager to live that way—are we? Man's disbelief destroys him and brings harm into his life as well as the lives of others. We are afraid to conform to God's standards. But when a time of testing does come, a God will prepare us by the Holy Spirit. "Draw nigh to God and he will draw nigh to you." It's wonderful to walk that way. We have the closeness of God. He is at our right hand waiting and willing to come in.

Living close to God brings rich, rich rewards. Psalm 16, Verse 11 tells us, "Thou wilt show me the path of life; in thy presence is fullness of joy; at thy right hand there are pleasures forevermore." Without God, we cannot even find the right road. Have you ever been in a city where there are no route signs and you want to go through it? It is practically impossible—you could wind up in somebody's chicken coop. God puts our foot on the path that we need,

and at our right hand there are pleasures forevermore. Apply Psalm 16, Verse 11 to your life, and you will prove that there are pleasures living with God that this world cannot touch.

If you try honestly and earnestly to walk with God, there are indeed pleasures not only in this life, but the pleasure of life eternal. It is from I John 5:13 that we have pleasure in the knowledge that "These things are written that you might KNOW you have eternal life." Do you want to live close to God? Believe that God loves you, that God draws nigh to you with a purpose of love. Draw nigh to God and he will draw nigh to you.

Mr. Randall who was a student at Mt. Washington Scoring Center, Glen, N. H., until his closing, continued his interest in soaring by purchasing his own craft. He and Mr. Paul plan to be in Bethel each week end this fall, weather permitting, to offer sailplane instruction and scenic rides. As witnessed by the large number of autos parked at the airport and the crowd that gathered Sunday, there is much interest in flying and sailplaning.

ONE OF THE SAILPLANES FLYING FROM Bethel Airport on Sunday. Air and ground traffic at Col. Dyke Field was considerably increased on Sunday, Nov. 4, when several sailplane pilots brought their crafts to Bethel to try the air over Newry-Grafton area, where soaring conditions are reported excellent due to the flow of air off the Mahoosuc Mountain range.

Greg Randall whose Piper Super Cub (used for towing) and sailplane are based at Twitchell Airport, Turner, was here with his two place sailplane, along with Craig Paul, Bethel, who works for Mr. Randall as a sailplane instructor and scenic ride pilot. Mr. Randall's plane towed the sailplane to Bethel but Dr. Ken Hamilton of Cumberland brought their aircraft in on trailers receiving tows from the powered plane in order to become airborne.

THE CHRISTIAN SCIENCE MONITOR

WEST BETHEL Children's Center

The children are busy at the Center this week learning about HOW WE GROW! Activities have included making full-size body prints on butcher paper (Benjamin included his heart!), learning new finger plays about body parts, making a height chart (to be compared with growth in the spring), making a huge people mural in the art room, putting together a baby picture collage (thanks to parents for sending in photos), learning about the four food groups and what foods are important for growing, and making a trip to the Bethel Area Health Center to see how people help us to stay well and grow! As you can see, it's an active and interesting week for the children.

The bright-eyed Star of the Week is Tommy Green. The children and staff enjoyed a Happy Halloween at the Center. Many thanks to the parents and grandparents who made a special effort to join in the fun. The Center parent group met

Monday night for a business meeting, and an interesting discussion with Dr. Whitney on hyperactivity and nutrition as related to the young child. Parent group officers this year are Tyrene Lovejoy, chairperson; Jana Abner, vice chairperson; and Debra Learned, secretary-treasurer. Plans are in progress for several fund raising projects. Each program year the Center parent group is responsible for raising \$500 to offset the utility costs at the Center. With the rising cost of oil, it's a tall order and they would appreciate your support. New storm windows have recently been added to the Center to help conserve energy.

Welcomed are two new staff members. Hilde Selin is new to the classroom staff. She is a former public school music teacher and has worked with a Head Start-Day Care program in Groton, Conn. She and her husband reside in Bryant Pond. Jennifer Gravelle, the new cook, resides in East Bethel, with her two children, Molly and Luke, who attend the Center. This is her first full-time cooking experience and she would welcome

BILL KOCH LEAGUE MEETS

TENTATIVE SCHEDULE SET

A District I Bill Koch Ski League meeting was held on Nov. 5 at Akers' Ski Shop in Andover to plan for the coming season. The following tentative schedule was arranged: Jan. 6, Bethel; Jan. 13, Farmington; Jan. 20, Bethel; Jan. 27, Rumford; Feb. 3, Andover; Feb. 17, Andover; March 1 and 2, Championship Festival, Putney, Vt. The Bethel Bill Koch Ski Club, which has flourished and grown in recent years, needs someone—preferably the parent(s) of a competing member—to assume responsibility for the Sunday (day on which all meets are held) aspect of this important program for the young (ages 13 and under) cross-country and jumping enthusiasts. A registration and informational meeting will be held in Bethel in the near future. Anyone interested in becoming involved with the Bethel Bill Koch Club is urged to contact Frank Vogt, 824-2873.

METHODIST PARISH SUPPER

TO BE HELD NOV. 11

Friends and members of the Bethel United Methodist Church are invited to a parish supper on Sunday evening beginning at 6 o'clock at the church. Families not solicited are asked to furnish a hot dish or salad. Rev. and Mrs. Millett Cummings will be attending to share fellowship with the congregation. Rev. Cummings has been appointed by the District Superintendent to fill the pulpit for the next few months.

UNITED METHODIST WOMEN

The United Methodist Women met at the home of Betty Perkins on Mason Street for their regular monthly meeting, Thursday, Nov. 1.

It was opened by Vice President Edna York, in the absence of Frances Saunders, President. She read an article pertaining to Thanksgiving and the Lord's Prayer was repeated in unison. Two officers were absent for roll call, however there were 17 in attendance including two new members, Agnes Thurston and Ethel Whittemore.

The secretary's and treasurer's reports were read and approved. Sarah Stevens reported that Cecil Conrad, Angelo Onofrio and Tony Pugliese were on the prayer list. Earl Warrington, Delaware, and Annie Gordon, North Carolina, former residents of Bethel, have been hospitalized. Cards were signed by all present for them.

A nominating committee was appointed: Eleanor Parsons, Myrtle Lapham and Ethel Ward to report at the December meeting. Plans were finalized for the Christmas Sale Nov. 9 and 10.

BETHEL LEGION POST ACTIVE

The Oct. 23 meeting of Munde Allen Post #81 was a very active one with many items on the agenda. Commander Joe Taylor opened the meeting and immediately proceeded to discuss and resolve all pertinent business.

The Lions Club is no longer using the hall. Starting in November there will be only one meeting per month due to the energy situation. A complete review of the insurance on the building and the contents is being conducted. There will be auctions held before Christmas. Maurice Bouchard and Robert Lowe are the new Service Officers.

The party which had been scheduled upon getting rid of the big debt will still be held on Saturday, Nov. 10, even though it was decided not to liquidate the debt at this time.

Paid up membership is 95, or 74%, which has won the Post a citation for early enrollment. Over and above this, Vietnam veterans are responding to the awareness and feelings of others towards them and will add substantially to the Post's objectives.

Game Night is every Thursday and is well accepted by the Bethel and out-of-town supporters as a social and relaxing night out. This helps immensely towards the many

A beautiful Tuesday morning. As I look out our kitchen windows one can just see the still dark sky with the pink of sunrise edging the mountain across the river. The colors are reflected in the river and the maples which have now lost their leaves seem to loom up taller than ever. Saturday deer hunting opened in our part of the state. Think the deer, on the whole, were pretty safe as it was raining hard. It did clear off enough so that Telstar played Boothbay in football at Readfield. Frank went down with the Keith Bartlettis and Telstar won the semi-finals. Sunday and Monday were both beautiful days.

Mr. and Mrs. Pat Murphy's, Bridge St., children and families, had an early Thanksgiving at the Legion Hall in Bethel Saturday. They had 46 present. Bill Murphy who was home from California, left for Augusta Sunday to stay overnight with his niece and husband, Terry and Lee Blake. Then he flew back to California Monday. Bill had not had Thanksgiving with his family for over 30 years. From this road were Mr. and Mrs. Frank Murphy, Mr. and Mrs. Chuckie Mason and three children, Mr. and

Mr. and Mrs. Frank Benson and friends from Bethel went to the dance in Locke Mills, Saturday.

Wednesday, Oct. 31, Sylvia Benson picked up her mother, Alice Foss, in Hebron, and they went to Lewiston and while there had their lunch.

Sylvia Benson, Joan Coolidge, and Alice Kimball went to the Holiday Open House at Dixfield Saturday. This is sponsored by different extension groups, who show some of their projects they have worked on over the year.

We had some trick or treaters but guess some didn't come down onto our road. The children are so cute coming with their costumes on.

Friendship

To laugh a bit and joke a bit,
To grasp a friendly hand;
To love a bit and scold a bit
And know they'll understand;
To tell one's secrets, hopes and fears,
And share a friendly smile;
To have a friend and be a friend
Is what makes life worth while!

TELSTAR SPORTS BANQUET
HONORS FALL ATHLETES

The Telstar fall athletes were honored at the Varsity Club Sports Banquet on Tuesday, Nov. 6, at Telstar. The fall season was a success at Telstar, with three squads posting winning seasons, and the football team advancing to the State Class D Championship contest against Hall-Dale, on Saturday afternoon at 1 o'clock at Capital Park in Augusta.

John Applin, Telstar's cross country coach, praised his team's performance. After several years at the top in Class C, the boys' squad placed ninth in the Class B State Meet. The newly established girls' squad ran well in the state in their second year of existence. Coach Applin presented awards to Rick Savage for Most Improved Runner, Ron Savage for Rookie of the Year, and Mike Morrill for Outstanding Runner, and for the girls, Terry Clukey, Rookie of the Year, and Beryl Martin, Most Outstanding Runner.

Soccer Coach Bob Remington praised his squad's growth and perseverance in its first year. At the outset of the season, the Rebels lost their early games by some large margins. By seasons end, however, the soccer squad played well against the better teams in the State. Soccer trophies were presented to Pam Lyngholm for Most Improved, Rocky Myers for Best Defensive Player, and Rick James for Most Valuable Player.

The fall cheerleaders were honored for their support throughout the football season. Coach Althea Stevens presented trophies to Lisa Pelzel for Most Spirited, Melanie Pelzel for Rookie of the Year, and Cheryl Morrill for Most Valuable Cheerleader.

Coach Ellen Durgin presented the Telstar hockey squad. Several key players were lost from last year's State Championship team, but Coach Durgin found solid replacements and nearly brought a third championship to the Rebels, losing to Sacopee 4-3 on penalty strokes. Honored for their outstanding performance were Sheri Angevine, Kathy Bailey, and Marlene Bean for Most Improved, Best Defensive, and MVP respectively.

Brian Flynn, head football coach, and Tim Kavanagh, assistant coach, expressed their pride in Telstar's grid performance. After a solid 6-3 performance last year in the Valley Conference, the squad has rolled up an 8-1 record to date this year, and shared in a three-way lead in the Class Conference to qualify for the State Championship game this Saturday.

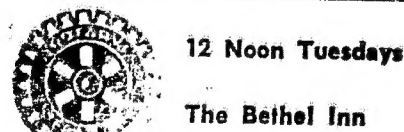

Coaches Flynn and Kavanagh honored Tony Butters as Best Defensive Player, Rusty VanDeursen for Best Offensive Player, and Russell Palmer for Most Valuable Player.

SEMINARS ON TERMINALLY ILL
HELD AT RUMFORD HOSPITAL

Two seminars were recently held at Rumford Community Hospital. The seminars focused around the needs of the terminally ill, how caregivers can offer more support to the family who loses someone suddenly by illness or by accident.

The first seminar, Oct. 23, was attended by 20 persons representing hospital staff, clergy, nursing home staff, Androscoggin Home Health Services and Tri-County Mental Health Services staff personnel. Participants of the Self-Help Cancer Group, sponsored by Tri-County Mental Health Services, were present and reflected the view of the patient from patient perspective very articulately.

Lorraine Latour, therapist at Tri-County Mental Health Services, involved the group in an exercise and presented, through her own personal life history with cancer, many major feelings, thoughts, and fears of the grief process experienced with persons facing a life threatening situation.

The discussion which followed was warm, personal sharing from group participants, including emphasis on sudden loss of a child or other loved one and the effects of unresolved grief from the past.

The second seminar, Oct. 30, focused on case presentations from area professional caregivers. Valerie Yontz and Janet Stowell, staff of Androscoggin Home Health Services, presented a case of a family able to provide complicated care to a terminal patient at home. Reverend Timothy Eberhardt, Rector at St. Barnabas Episcopal Church, presented a brief terminal illness where patient and family alike had little time to "complete unfinished business". Several spontaneous case presentations were given by caregivers attending. Twenty-six persons were present.

It was evident from the first seminar that the participants were interested in continuing their concern for care given to the terminally ill and families of persons who die suddenly. On Oct. 30, the decision was made by the group to continue meeting on a monthly basis. The next meeting is Wednesday, Nov. 28, 7-9 p. m., at the Rumford Hospital.

The Design Team for the seminar included Coordinator Carlene Trotter, Consultation and Education, and Lorraine Latour, therapist, both Tri-County Mental Health Services staff; Father Timothy Eberhardt, Rector of the St. Barnabas Church. Hospital coordinator was Pearl Williamson, Social Services Dept. of Rumford Hospital.

Persons interested in participating or acquiring more information may call Tri-County Mental Health Services at 364-7981, or Reverend Timothy Eberhardt at 364-2193.
